

Facts on Attendees:

KAOM attracts 100 family practice physicians and physician assistants to the Convention from throughout Kansas and the surrounding region. This meeting, which is primarily a CME event, offers approximately 23 hours of AOA accredited category 1-A quality medical education.

KAOM Values Your Participation

KAOM has always believed exhibits at its Convention are a valuable source of scientific education for members. Exhibiting at the Convention provides exhibitors with face to face contact and fosters communication. The association makes a concerted effort to encourage physician contact with exhibit personnel. All refreshment breaks and breakfast on Friday are held in the exhibit hall for attending physicians. In addition, there are four Visit-the-Exhibits Sessions and prize drawings for attendees. To be eligible for the \$200 grand prize cash drawing held on Saturday at the conclusion of the Convention, physicians must sign-up with each booth.

Dear Exhibitors:

The Kansas Association of Osteopathic Medicine is pleased to announce its 2019 Annual CME Convention on April 11-13, 2019 at the DoubleTree Hotel in Overland Park, KS, 66210.

As President of KAOM, I'm extending a special invitation to you and your company to reserve an exhibit booth at our Annual Meeting and CME Convention.

Many exhibitors have a long-time relationship with the association. Those companies know KAOM's reputation for ensuring outstanding physician contact in the Scientific Exhibit area. For those new to the convention, many exhibitors say KAOM conventions are the best in terms of physician interaction. KAOM emphasizes to attendees the importance of physician-exhibitor interaction as a mutually productive experience.

KAOM provides opportunities for your support. The first is to sponsor an exhibit display for \$850. The second is to provide an unrestricted CME grant in addition to an exhibit booth – which provides your company recognition in the program in two areas – as an exhibitor and as an unrestricted grant provider. **(Please note pharmaceutical grants do not waive the booth fee if you wish to display.)** If your company is interested in providing an unrestricted grant in addition to a display booth please contact the KAOM office to discuss it.

However you choose to participate – KAOM informs its members of your assistance. All levels of support are important to KAOM's convention and continuing medical education efforts. Recognition is provided on the website, in program materials and at the convention.

Enclosed in this brochure are exhibit details and a separate contract which may be mailed, emailed or faxed to KAOM. Our federal tax ID number 48-0290656. If you have any questions or want more information please call Katelyn at the KAOM office at 785-234-5563 or email her at katelyn@kansasdo.org.

Sincerely,

Michael McClintick, D.O.
