

KAOM is pleased to partner to present this offering to Kansas Physicians and physician assistants in cooperation with its state affiliates MAOPS, OPSO, GOMA, WOMA, and IOPA. This long, strange year has forced us all to become creative and innovative. The good news is this offering allows you to tailor your CME needs to any of these topics. If attended on April 16-18 you can choose between either of two subject areas for each session throughout each day of the conference. If selecting in the eight-hour increments (see on registration website) you will be viewing them on-demand and can pick and choose the eight, 16, 24, 32, 40 – if choosing to register for all 48 – well you’re looking at them all here! MAOPS is accredited as both AOA Category 1-A and MD credit – and they will be the partner granting the CME. So pass the word on to your DO, PA, and MD buddies. Specialty credits are available. This schedule as always is subject to change.

Central Time	Day 1 – Friday, April 16, 2021		Day 2 – Saturday, April 17, 2021		Day 3 – Sunday, April 18, 2021

32 credits \$629 / \$879  
40 credits \$749 / \$1,049  
48 credits: \$859 / \$1,199

#### **Postgraduates:**

\$99 (access to all – no CME reported unless requested)

#### **Students:**

\$25 (access to all – no CME reported)

MAOPS is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians. MAOPS designates these programs for a maximum of 48 AOA Category 1-A CME credits, and will report CME and specialty credits commensurate with the extent of the physician's participation.

MAOPS is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

MAOPS designates these live conferences for a maximum of 48 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### **Grievance Policy:**

All grievances should be in writing and should specify the nature of the grievance. Initially, all grievances should be directed to MAOPS Executive Director, who will then forward said grievance to the Education & Convention Committee. All grievances will receive an initial response in writing within 30 days of receipt. If the participant does not receive a satisfactory response, then they can then submit a complaint in writing to the Bureau of Osteopathic Education of the AOA at 142 East Ontario Street, Chicago, IL 60611.
