

Program Chair:

Russell Horn, DO (Valley Center)
President-elect/Program Chairman

KAOM Program Committee:

James I. Fast, D.O., Wichita
Joel Feder, D.O., Leawood
Sam Heck, D.O., Wichita
Russell R. Horn, D.O., Valley Center
Nathan C. Knackstedt, D.O., Hoisington
Jozia McGowan, D.O., Kansas City
Donna St. Clair, D.O., Wichita

Statement of Purpose and Goals:

The purpose of the KAOM Mid-Year CME Conference is to introduce new information and review existing knowledge regarding the practice of osteopathic medicine. The goal is to improve patient care and achieve continuing favorable medical outcomes using core osteopathic principles. This will be accomplished by presenting timely topics regarding treatment and referral patterns of importance to primary care physicians using faculty with exceptional knowledge of their respective subject areas. In addition, selected topics dealing with treatments and practice management will be offered when those topics are relevant to providing quality patient care. Osteopathic perspectives will be offered including the demonstration and practice of OMT techniques.

Continuing Medical Education Credit:

KAOM is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians. KAOM designates this program for a maximum of 18 AOA Category 1-A CME credits and will report

CME and specialty credits commensurate with the physician’s participation.

To receive CME credit you must fill out the Attestation form in your packet and turn in the yellow (bottom) copy. Rosters of CME will be transmitted to AOA. In addition, those who complete an Outcomes Measurement Survey mailed to them in the timeframe specified will receive an additional hour of Category 1A credit.

Special Thanks to the following CME Program Supporters:

AOA
ACOFP
Via Christi Health

Non-Faculty Program Support:

Kansas City University – College of Osteopathic Medicine (KCU-COM)

Scientific tabletop displays will be up on Friday for viewing and conversation with vendors on their products and services for osteopathic physicians. Please invite your vendors to participate. Their support of KAOM is dependent upon your support!
